### SPRING VALLEY MISHAP

#### Tots Hospitalized From Bike Injuries

Two children from Lomita Village, Douglas Lloyd Fields, 8, and Andrea Dolores Salas, 3, were seriously injured last week when they attempted to ride a bicycle down the steep dirt roadway that leads from Lomita Village into Ashmore and Carlsbad streets, Rancho Estates, Spring Valley.

The children were found lying in the street near the intersection. Dolores, of 870 Del Ann St., was unconscious, suffering from a fractured right wrist, bruises on the shoulders and hip and possible internal or back injuries.

Douglas, of 860 Del Ann St., had a compound fracture of the left wrist with the bone piercing the skin. He was also in shock.

The Spring Valley ambulance arrived and treated both of the children and took them to Grossmont Hospital.

An eye witness to the accident was Mrs. Janice Arnett.

A baby sitter for the Fields, who said to sheriff's deputies that she and the Fields children were riding bikes down the dirt hill from Lomita Village to the street in Spring Valley, and that Andrea Dolores Salas was sitting on the crossbar riding with Douglas Fields. When the hill, proving too steep, got the bicycle out of control, both children were catapulted over the handle bars. They rolled over a six-foot bank, landing on Carlsbad street below.

### Phone Romeo Is Well 'Dated'

There's a new kind of three-time loser hereabouts.

He's the guy who reportedly made a lewd telephone call to a Spring Valley woman who lives on El Kelton street.

The woman happened to be 1.) wife of a Spring Valley fireman; 2.) daughter of a retired San Diego police officer, and 3.) niece of Sheriff Lt. Tom Isbell which gave the caller three easy chances to lose.

When James Edward Kuszai, a San Diego laundry route driver, reportedly called her, made suggestive overtures, and insisted on dating her, she acquiesced. She also alerted all of her relatives.

When Kuszai showed up for his date Thursday evening, overhead doors of three nearby garages swung open and from them, alerted by radiophone, came sheriff's deputies autos. . . just like on TV.

Kuszai's "dates" escorted him to county jail charged with violation of 647.5 P.C. (lewd phone calls). The man, 25 years of age, 6 ft. 2 in., is suspected of having been responsible for other calls on which the sheriff's office has been receiving complaints.

He is being held for a probation report and sentencing June 12.

### FIRE CHIEF SAYS

#### Very Dry Season Coming Up Soon

The dry season coming up will be the driest in about five years, according to Chief Harry Alexander of the Lemon Grove Fire Department. He said this is due to decreased rainfall and that the dangerously dry period will be here in another month.

He said that now is the time for people who live near grassy areas or brush to clear fire breaks. Citing lack of good fire breaks and illegal incinerators as being the main causes of costly fires, he pointed out that a blaze in a tinder dry place can do considerable damage even in the few moments before the firemen arrive.

New hours for burning are from 6 to 9 in the morning and from 6 to 9 in the evening.

Under the supervision of fire marshal Capt. Raymond Carmody, the fire department is taking measures to point out places where fire breaks are needed in the outlying areas. Getting rid of fire hazards in residential areas is up to private parties.

### JUNKED CAR BURNS

On May 13 at 5:07 p.m. the fire department answered a call from Robert Mohline, 2045 69th St., whose junked auto in the backyard was burning. It was believed that children with matches were responsible for this blaze.

May 15 at 12:15 p.m. an electric short circuit in one of the trucks of the Grove Plumbing Co., 2733 Imperial, brought firemen to the scene. Damage was minor.

### 'Green Spot' Hearing Set For May 26

The Planning Department's hearing on Lemon Grove's "green spot" park will be May 26 at Civic Center. It was announced Monday to the Lemon Grove Co-ordinating Council by Dr. Dennis McLaughlin, president.

Dr. McLaughlin said that immediate-past president Rev. E. Walter Smith and attorneys Howard Muhleman and Robert Sjogren will be official Co-ordinating Council representatives to the hearing, too.

Mrs. Edna Seal membership chairman announced at the Monday meeting that 51 organizations were now members of the Council. She also proposed a complaint-and-compliments meeting for next month. President McLaughlin took the suggestion under advisement.

### Grove Liquor Reports Contact With Fugitives

The Grove Liquor Store, through its employee, W. F. Lindsay, has reported a contact with John R. Bohn, allegedly wanted on a federal violation of parole warrant from Salt Lake City, and Lester B. Cropper, who is reportedly AWOL from the U.S. Navy.

The two were believed to have cashed a "no account" check for \$25 on April 21 at the liquor store. The check was signed by Bohn and made payable to Lester B. Cropper. The two suspects are allegedly "working" bad checks together.

### Official Predicts Arid Summer For This Area

"A dry, dusty summer lies ahead for much of California south of Sacramento this year.

This is the conclusion of the fourth and last in a series of statewide water condition reports released today by William E. Warne, director of Water Resources.

Prediction for the south coastal region is: Precipitation, 40 per cent of normal; storage, 85 per cent of average; runoff, 15 per cent of average. Forecast is for 15 per cent of average runoff.

### Projects Listed In Road Budget

SAN DIEGO (CNS)—A preliminary county road department budget of \$6,370,000 for the 1961-62 fiscal year was approved Wednesday by the County Board of Supervisors.

Included in the budget from Lemon Grove is \$153,650. \$88,000 of this amount will go for widening Broadway from Kempf to Sweetwater.

In Spring Valley, where \$32,500 is budgeted, \$16,000 will be spent on Blossom Lane which will run west from Sweetwater north to Mt. Miguel high school, and \$12,000 for a road from La Presa avenue to Quarry road, one mile east of Sweetwater in the general area of the new high school.

The budget, off \$9,845 from the current year, got the board's nod without even a presentation from David K. Speer, road commissioner and county surveyor.

Speer was slated to report to the board Wednesday afternoon, and a screen had been set up in the board chamber and slides prepared to show construction plans for the coming year.

But supervisors after their morning recess adopted the budget and sent word to Speer that he need not put in an appearance. The acceptance of the budget for road department expenditures used to be one of the most hotly disputed items in the budget hearings.

The available funds have to be divided between the second and fifth supervisory districts, the only ones with unincorporated areas, and supervisors David W. Bird, of the second district, and Dean E. Howell, of the fifth, used to struggle mightily over the share of work to go for their areas.

In the tentative budget, approximately \$2,140,000 is allocated for construction projects in Bird's district and \$1,300,000 for the fifth district, now represented by Robert C. Cozens.

Bird's district is given its edge by one large project, long in the works and to result in further construction later in the North County: the Belt Line Freeway, to be started in the Bonita-Spring Valley area. This project, for which \$570,000 is in the 1961-62 budget, is to connect with roads to Poway and Ramona.

In the preliminary budget, the general areas of the county are to receive the following allocations for construction: Rancho Santa Fe, \$47,760; Encinitas, \$62,300; Solana Beach, \$3,730; Leucadia, \$21,400; Vista, \$168,760; Bonsall, \$48,645; San Marcos, \$35,300; Fallbrook, \$230,000; Poway, \$94,350; Escondido, \$28,000; Ramona, \$35,750; Northeast county area, \$179,740; Lakeside, \$237,855; Beltrine Freeway, \$570,000; Spring Valley, \$32,400; South Bay, \$201,570; Lemon Grove, \$153,650; El Cajon, \$257,150; Southeast county area, \$190,550.

The road department is financed by receipts from gasoline taxes, and the lower budget for the coming year is based on Speer's prediction of a slight drop in tax receipts.

### The DIMMER VIEW

by MAX GOODWIN

We respectfully offer, without charge to President John F. Kennedy, the Max Goodwin Deficit Financing Income Tax Plan. . . but wait a minute before calling me a heretic.

The Plan is shocking, not for added burden, but for sheer simplicity.

The Plan widens the fiscal considerations - so the Democrats will bless me for it.

The Plan may recapture some wasted taxpayers' funds - so the Republicans will love me for it.

As important as anything, it provides for deficit taxpayering to match up with government's deficit financing so that the taxpayer and tax spender will be on equal fiscal terms for the first time.

The MGDFTP works this way. When your taxes are due, instead of sending money, you issue a note, an IOU, as it were. These notes would be collected in a file in Washington and would be paid someday, somehow, somewhere.

If the taxpayer has a good year, he might buy back a note or two. . . if he doesn't he leaves them in the tax repository. . . all the while improving in value in ratio to the interest rate they bear. This makes the nation's economic worth grow, a condition that is needed to help catch our world expenditures.

Let's say that during your lifetime you've never been able to repurchase one of your tax notes. Then the U.S. Internal Revenue Department waits for you to become deceased. It levies against your estate a reasonable amount to retire some of your notes.

Aid to Surviving Spouse, and State Benefits programs will keep the survivors' body and soul together, maybe even better than the style to which they had become accustomed when the taxpayer was alive.

Let's now assume that there isn't enough in the estate to buy back all the notes the deceased has left. These are then tossed into a common pot and are equated to some of world obligations to the U.S. For example, when the Laotians repay the U.S. loan for the elephant breeding program (some say this was patterned after the Calif. ANC program), this repayment cancels an equal amount of deferred income tax notes. This is proper because the money Laotian elephants got was part of a deficit financing program based on Uncle Sam's future tax collections from you and me. World repayments and income tax notes should eventually cancel each other out.

The MGDFTP is good and timely. Our citizens would be made happier because the out-of-pocket tax bill is reduced. Nobody would ever have to go to jail for non-payment of taxes. Federal bookkeeping would be simplified. It is deficit tax collecting at its finest!

Write your Congressman now. Tell him to investigate the Max Goodwin Deficit Financing Income Tax Plan. It's destined to become the hottest thing since the Birch Society.

A study of narcotic users' habits was made the other day by the California Department of Justice and its findings were just released.

At least one of the revelations is a shocking one. . . that nearly all narcotic users have a prior criminal record.

We will not comment on whether the study was developed solely to back up Governor Brown's bid for stronger laws to control narcotic users in that we heartily favor the governor's position, yet it seems strange that this revelation should be so late in coming.

THE MOST — A Lemon Grove woman, Mrs. Esther Chesnik was named Mother of the Year by judges last week after 32 of her neighbors signed a letter nominating her. With the title goes 25 prizes valued at more than \$200. One of her three children is a cerebral palsy victim. In the photo above is LG chamber of commerce manager Edwin Koester pinning an orchid on Mrs. Chesnik's shoulder. Over one hundred mothers were nominated. Staff photo.

### Mother of Cerebral Palsy Victim Is Named Mother of the Year

Mrs. Esther Chesnik of 1677 Larwood Rd., Lemon Grove, was selected as Mother of the Year last week.

She was nominated by 32 of her neighbors who didn't tell her they had nominated her.

Mrs. Chesnik, 38-year-old mother of three, won approximately \$200 worth of merchandise contributed by local business firms. She and her husband Rudolph, a Westinghouse X-ray service man, will be guests of this newspaper at Harvey's Club Venezia for the finest, tenderest steak dinner (complete with champagne) the safe can serve.

Additionally, she will get 25 other gifts from local firms, a list of whom, together with the gift they are giving is published at the end of this column.

The neighbors of Mrs. Chesnik said of their entry: "We have a mother in our neighborhood whom we believe should be chosen Mother of the Year. She is Esther Chesnik, mother of a 15-year-old cerebral palsy child who is totally helpless and has been since 18 months old. She cares for two other of her children plus children of others who are left there from time to time as she has a license for child day care."

"She makes cup cakes for any school activity when asked; has been active in three PTAs and still finds time to visit anyone who is sick."

**GOOD MANAGER**  
"She is a good manager with home income, never complains and always has a smile. She has cared for another cerebral palsied child in her home."

"She takes her children to Sunday school regularly and takes care of some of our children as a favor so that we mothers could sing in a choral group. She is always thinking of others."

"Esther is a blessing to all of us neighbors who know her and love her dearly."

signed: Mmes. Ed. Fackler Jr., Robert Duncan, Thelma Ireland, Frank Hastings, George Gerner and Elizabeth Tibbets.

Also: George Gerner, Mmes. R. W. Nevills, A. E. Monson, Mary Whitmoyer, Marian Drake, Mary Kickbush and Ruby Mann.

Also: S. H. Brust, Rene Gentry, Margery Burnworth, Julia Harris, Dorine Schomens, Paul Leitner and Patricia Whitworth.

Also: Dorothy Wilkenson, Elizabeth Dill, Norma Weber, G. Nagel, Donald Carr, Phil Kaplan, Gloria Fisher and Pat Weckerly.

Also: Joy Olson, Cecil Watts, V. P. Whitaker and William H. Gilchrist.

**DIANA WINS BIBLE**

Mrs. Chesnik said being chosen Mother of the Year made it a double honor because her daughter, Diana, 8 years old, had won a Bible at the Trinity Lutheran Church for memorizing a section of the Bible. She also has a 12-year-old boy, Rudy, in addition to the girl, Geraldine, who has cerebral palsy. This girl will be 16 Memorial Day.

Judging was not easy. Mrs. Billie Kehrenberg, 1858 Massachusetts, said her mother "has always done things for others and has been in the hospital four times with cancer."

Mrs. Emma Schuster, 7569 Roosevelt St., asked why the Mother of the Year had to do something outstanding in any one year. "My mother is 90 years old and has been a most wonderful mother through the years."

James Franks, 1632 Watwood Rd., nominated his foster mother, Mrs. G. G. Walker. "She has always treated me like a real son," he said.

Derrie Cooper of 3253 Harris St., said her mother "is kind and sweet and honest. I think she is worth all the money in the world."

**PUTS OTHERS FIRST**  
Linda Haselwood of 531 Bilow Dr. said "I have never seen her out herself before someone else. Although she has not spoiled us (children) she has always put us first."

Susan Bjorstrom of 3726 Bancroft Dr., said her mother "has patience, love, understanding and faith. We aren't very wealthy but we have a happy home."

Mrs. Lupe Rue of 1620 Skyline Dr., said her mother, Mrs. Mary Sotelo "had 11 children and we were all brought up good and healthy and none ever got into trouble. Mother never had a vacation or won anything. . ."

Nominated by her 86-year-old mother-in-law Mrs. Lula Sanderson of 8027 Golden Ave., was Mrs. T. C. Sanderson, who "is a den mother for the clubs and attends every meeting. Also helps with Little League and Pony League."

**HELPING HAND**  
Mrs. Betty Kohanek of 8558 Palm St., nominated her mother, Mrs. Grace Slagel, who always gives a helping hand when "a new baby arrives and a temporary mother is needed; when a poor family needs help; when a stray animal needs shelter; when a new family moves in the neighborhood; when a little child comes calling. . ."

Thomas Welbaum of 1545 Madera street nominated his wife Bette, who "spent three years helping to finance, construct and complete the lighted football stadium and concession stands at Mt. Miguel high school."

### Story Brings Back Runaway Ocelot

Bill Carmen of 3572 Helix St., Spring Valley, has reported to this paper that a story about a missing ocelot in the May 4 edition resulted in the return to him of the animal.

The story was headlined: OCELOT OR NOT, THIS CAT IS GONE! Readers were warned that the animal might be dangerous if cornered. They were asked to phone Bill if they had any information.

The paper came out May 4 and on the next day Bill got his ocelot back. However, because the story ran a week late because of limited space, Bill didn't get the ocelot back for almost two weeks from the day it broke out a window screen and escaped.

Bill said that there is no indication that during most of that time anyone saw anything of his ocelot. About May 3 a neighbor a few doors away, Mrs. Theda Hausen, 3542 Helix St., noticed that a tired and hungry looking feline was hanging around her place, so she set out food and water. She was able to identify it as an ocelot, but she didn't know to whom it belonged.

Bill said that a day or so later Mrs. Hausen mentioned to her neighbor that an ocelot had been about her place. The neighbor had just read the May 4 ocelot story so Bill soon had his cat again.

Bill said that until the ocelot was returned to him, he didn't know but what it was mounted in someone's trophy room.

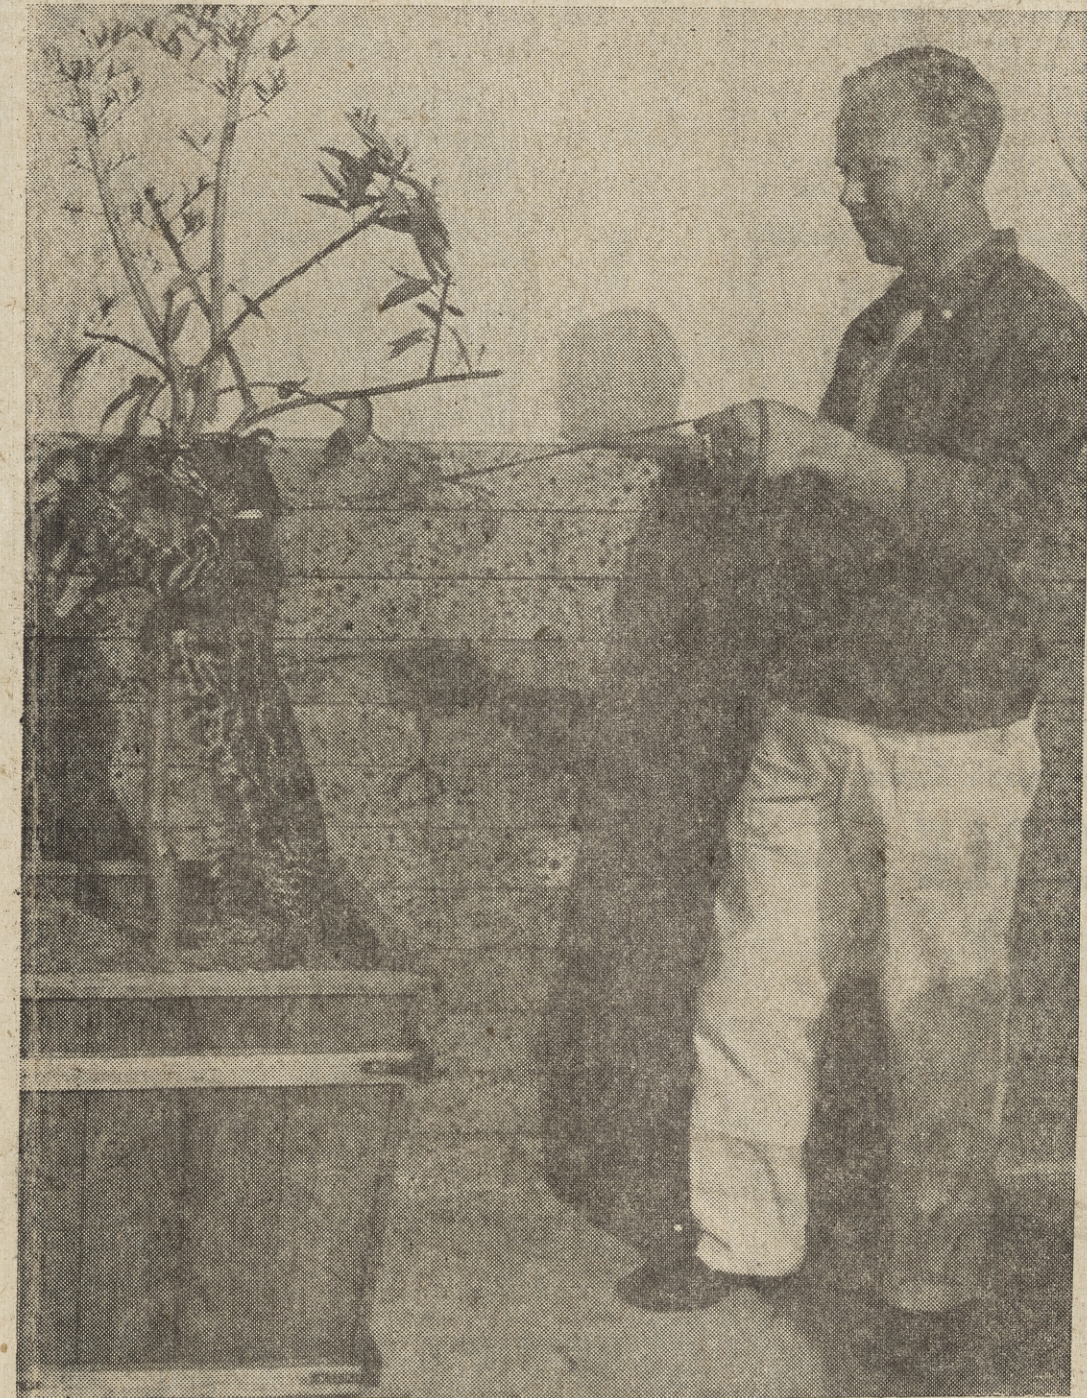

He guessed that it had spent the majority of the period slinking in one of the nearby groves and that hunger eventually returned it to civilization. He paid \$150 for the ocelot at a Ramona pet shop. He had the 12-month-old animal for about a month and tried vainly to make a pet of it, he explained. But while he awaited its domestication, the ocelot awaited a chance to get away. It pushed out a window screen of the house where Bill batches with his brother, Dave, a Spring Valley fireman.

The newsmaking ocelot has been traded in on what Bill hopes will be a tamer creature. Now Bill owns a five-month-old Brazilian ocelot kitten. Ocelot or not, the cat better stay home!

BILL AND HIS NEW OCELOT — Bill Carmen, a dairy routeman who lives in Spring Valley, holds his pet cat by a leash as it hugs a lemon grove lemon tree. The "cat" is a five-month old Brazilian ocelot kitten which derives its superabundant energy from liver, chicken and dogfood, none of which it is permitted to hunt for itself. Bill's former ocelot made a story for itself in this paper by escaping. Bill is going to do his best to domesticate this one. The lemon tree is one of more than 50 set out as a project of the merchant's division of the Chamber of Commerce here. Staff photo.

# Large Bancroft Choir Giving Concert Tonight

Large Bancroft Choir 2 2 14... The Bancroft Chorus, composed of over 100 voices, will present a spring concert at the meeting of the Bancroft Parent-Teacher Assn. tonight at 7:30 in the cafeteria of the Bancroft school. The chorus is under the direction of Mrs. Doris Jolliff and Mrs. Jene Kahley. In addition, Civil Defense and related problems will be discussed by Capt. Richard Sass of the Spring Valley fire department and Grant McClellan of the California forestry service. Officers for the coming year to be installed by Mrs. Robert Higgins, past president of Mt. Helix Council, are: president, Mrs. Howard Skinner; first vice president, Mrs. Grant McClellan; second vice president, Luther Blevins; recording secretary, Mrs. Lawrence Jones; corresponding secretary, Mrs. Joseph Meyer; treasurer, Mrs. Estel Chester; historian, Mrs. LaVern Fritz; parliamentarian, John MacGilvrey.

## Work More Than One Job? Refund May Be Possible

If you worked for two or more employers last year, too much may have been deducted from your pay check for disability insurance premiums. If so, you are entitled to a refund from the Department of Employment of anything over \$36 deducted for that purpose—that is, if you apply for the overpayment before June 30, 1961. State Director of Employment Irving H. Perluss announced today that 222,000 Californians applied for such refunds last year and were paid a total of \$4,315,511 in checks averaging \$19. Perluss explained that under state law, an employer withholds one per cent of the first \$3,600 paid each worker. This money is paid to the state, or to a voluntary insurance plan carrier, to pay for temporary disability insurance coverage against non-occupational illness or injury. If a person worked for more than one employer during the year, and each deducted one per cent for this purpose, the total may have exceeded the \$36 maximum cost of premiums. If so, the worker is entitled to refund of the excess, but gets it only if he applies on a form obtainable at any local office of the Department of Employment.

## Gen. Krulak To Speak At Miguel

Mount Miguel will observe its international theme on Monday, May 22, with an all-school assembly in the stadium enclosure. Miguel students who have participated in the AFS program will participate in the program which will feature Major General Victor H. Krulak, commandant of the Marine Corps Recruit Depot as the major speaker. Members of the local AFS chapter and other guests will be present for the student program.

## Teenagers Arrested After Crime Series

Two teenaged youths from La Mesa, both 17, were turned over to the Juvenile Department by sheriff's deputies May 13, for petty theft at Pam's Drive-in on Imperial avenue, Lemon Grove, and auto theft of the car of Rudolph Romero, stolen by them from in front of his residence, 1626 Watwood, the following week. On May 5, the two boys admitted they had pried open a cigarette machine at Pam's and taken three or four cartons of cigarettes. One said he kept one carton and the other held the others. They also admitted they took an automobile in Lemon Grove and drove to Chula Vista and picked the lock at the La Bella Pizza House, taking cigars and two bottles of wine. Then they drove the car back to the exact location where they had taken it. A week later a prowler car came upon the two in a Ford at the intersection of River and Laurel in Lakeside. Upon seeing the sheriff's car, they took off. One could not outrun the deputy sheriff across a field. The other was found, shortly after, hiding behind a shed near 10040 River Rd. The boys were taken before their parents. One, like her son, was cooperative with the officers.

## TOP STUDENT

OUTSTANDING—Alice Mary Budzinsky, daughter of Mr. and Mrs. Edwin S. Budzinsky, Lemon Grove, was chosen outstanding student from her community in competition which culminated Wednesday night at the Kona Kai Club on Shelter Island.

## Washington Report

by Congressman JAMES B. UTT Employment has picked up slightly on a seasonal basis. If we are to provide five or six million jobs for those unemployed and others coming into the labor market, we must pass long-term legislation providing realistic depreciation for industrial equipment instead of talking about punitive legislation against business. Private industry is providing 65 million jobs to the American people. Why should business be the whipping boy of the politicians? Under modern industrialization, it takes a minimum of \$15,000 capital to provide a \$6,000 a year job for a skilled workman. This capital must come from invested savings of the American public or from retained earnings after taxes and dividends. There is no job too large for private industry to undertake. Even as large as TVA is, with a billion and a half investment over a period of 25 years, it is only about half the amount that American Tel. and Tel. is investing in expanded equipment in one year.

charge of \$5 plus 10 cents per person over a total of 50. 3. Unit must be accompanied by adult leadership. 4. Each participant must show current registration card and provide his own suit and towel.

## Scout News

GIRL SCOUTS Girl Scouts of local troops (District 10, which includes Spring Valley, Casa de Oro, Lemon Grove, Oakmead and Monterey Heights) are adhering closely to the 1961 Girl Scout program as set up by the San Diego Council of Girl Scouts. The program stresses greater recognition of leaders, more selective recruitment, participation of each adult in a current training event and a camping experience for every girl. Mrs. Lorene Perlins, chairman of Girl Scout District 10, said this area has a good camping program set up for this year, with an opportunity for an older Girl Scout of either junior or senior high school age, who has not had the chance to attend an established camp, to do so. Also there is a campership whereby two girls who were highest in the recent Girl Scout cookie sales will be sent to camp. Girl Scouts of this area will also have a chance to conduct a day camp of their own during the summer, Mrs. Perlins said. She pointed out that girls "on their own" glean more knowledge of camping than if the camp was directed by an adult. Of course there will be adult supervision. District 10 will have its established camp this year at Pecan Park, the Convair park east of Johnston off Highway 80. Girls will be taken there and brought home via bus, Mrs. Perlins said.

## BOY SCOUTS

The 1961 Balboa Camp summer swim program for county Boy Scouts is scheduled to begin in June, according to a recent report from the County Council of Boy Scouts. The program will feature swim classes, recreation swims and unit swims. Unit leaders and den mothers are being asked to begin lining up their boys. Each participant will need his current registration card, which must be presented at each swim. He must also furnish his own swim suit and towel.

## Following are the details:

### SWIM CLASSES

1. Registrations must be made by an adult leader. These registrations may be made June 3 at the annual Scout Fair in Aztec Bowl, or June 5 and 12 at Scout headquarters, or at the pool when the program begins.
2. Service charge for each boy for each class will be \$1 and includes eight class swims and two recreation swims.
3. Non-swimmer classes for boys who cannot swim will be held at 9:30, 10:40, and 11:10 a.m., and 1, 2, 3:10 and 3:40 p.m., Tuesday through Friday.
4. Beginner classes for boys who can swim at least 25 feet will be at 9:30, 10:40, and 11:10 a.m., and 1, 2, 3:10 and 3:40 p.m., Tuesday through Friday.
5. Swimming and Life Saving merit badge classes will be at 8:30 a.m. and 5 p.m. for Boy Scouts and Explorers who have completed the first class swimming requirements and swimming merit badge, respectively.
6. All classes are for two weeks. They start June 20, July 5, July 18, August 1 and August 15.

### RECREATION SWIMS

1. Scheduled on "no reservation" basis Tuesday through Friday at 4:15 p.m., swims will be at 7:30 p.m. on Tuesday; 7:30 p.m. on Friday. There will be a swim on Saturday at 11 a.m. and one on Sunday at 2 p.m.
2. There will be a service charge of 10 cents for each swim.
3. Each participant must show current registration card and provide his suit and towel.

### UNIT SWIMS

1. Arrangements must be made at Scout headquarters at least one week in advance.
2. There will be a service

## Memorial Day Rites Planned

A special Memorial Day program will be held in Lemon Grove starting at 1 p.m. at the flagpole by the railroad tracks. It is being sponsored by the Lemon Grove and Spring Valley VFWs.

VFW members and members of the auxiliaries of both the Lemon Grove and Spring Valley posts will hold their annual poppy sale on May 26 and 27—the Friday and Saturday preceding the May 30 Memorial Day Program. John M. Laughhead, past commander of the VFW post here, chairman of the event, said a big turnout is expected and that the VFW has plans for making this event a yearly one. Invocation will be by Dr. Jordan Detzer, pastor of the Lemon Grove Methodist Church.

A Marine Corps detachment firing squad and bugler from the 32nd Street Naval Station will participate.

The Mt. Miguel pep band is to provide music for the occasion.

Main speaker for the day will be B. C. Hesser, president of the Lemon Grove chamber of commerce. Hesser is a past state commander of the VFW. Eagle Scout Robert W. Wilbur Jr., will lead the pledge of allegiance.

Benediction will be given by Robert Phillip Bartlett, pastor of the St. Phillips Episcopal Church in Lemon Grove.

Mr. Laughhead said that the streets between Main and Imperial from Broadway to North Ave. are to be blocked off between 12:30 and about 2:30 on Memorial Day.

## Parking Zone Hearing Set for LG Property

SAN DIEGO (CNS)—A public hearing on "P" or parking zoning for land on the south side of North avenue, west of Grove street, Lemon Grove, was ordered Friday by the County Planning Commission.

## Green-Eyed Beauty, 16, Is LG Fairest of Fair

Rosita Samoyoa, 16-year-old junior at Mount Miguel High School, was selected Miss Lemon Grove in a Fairest of the Fair preliminary contest Wednesday, May 10, at a noon luncheon sponsored by the Lemon Grove Kiwanis Club.

Rosita, who stands 5' 8" and weighs 135 pounds, won the title over six other contestants. The new queen has green eyes and dark brown hair. She goes by the nickname of Renee.

Contestants paraded before judges in formal evening gowns and swim suits. Judges for the event were Howard Rountree, membership manager of the Convention and Tourist Bureau; Doug Montgomery, radio personality with KOGO and Gny Ryan of the Evening Tribune.

Second and third in the competition were Cheryl Lannom, 17, and Ethel J. Johanson, 17, both juniors at Mount Miguel High.

Rosita, as Miss Lemon Grove, will represent the area in the 16th annual Fairest of the Fair contest set for Sunday, June 4 at the Half Moon Inn on Shelter Island.

The Lemon Grove event was 11th in a series of 19 preliminary contests being held throughout the county to select community representatives for the Fairest of the Fair finals.

Miss Lemon Grove received a trophy, tiara and swim suit from the Southern California Exposition for winning the title. She is scheduled to appear on KOGO-TV representing her community.

Rosita's favorite past-times are swimming, water skiing, tennis and playing chess. Her

## ambition is to become a professional photographer or fashion model instructor.

The noon luncheon and contest was held at the El Morroco Restaurant in Lemon Grove.

## New Enlistment Plan Announced By Coast Guard

Lt. jg H. J. Milloy, public information officer for the 11th Coast Guard District with headquarters in Long Beach, has announced that high school seniors may apply for enlistment in the coast guard and delay their actual enlistment and departure for basic training up to 90 days.

This new policy is designed so seniors may apply for enlistment while in school and after graduation may spend summer months on vacation before starting basic training at Alameda, Calif.

For complete information, contact the Coast Guard office, room 14, north ramp. Broadway pier, or call BE 9-8826.

## Gas Co. Request Denied by State

The California Public Utilities Commission has denied a request by San Diego Gas & Electric Company for interim increase in gas rates of \$4.494,200 a year. The five-member commission split four to one on the decision.

The utility, which serves about 265,000 gas customers in the San Diego metropolitan area, is seeking a total gas rate increase of \$7,354,000 a year. Last March, the company asked for the interim increase to offset higher prices it has paid since 1958 for out-of-state gas supplies. The request, in the form of a motion, was taken under advisement and decided today.

## Teacher to Study Math at Institute

Henry Schulz, teacher of mathematics at Spring Valley Junior High School, Spring Valley, has received a stipend to attend the Summer Institute for high school teachers of mathematics given by The Catholic University of America with the support of the National Science Foundation, July 3 to August 11.

## April Employment Shows Increase

Civilian employment increased seasonally in April and unemployment decreased, the California Departments of Industrial Relations and Employment reported today.

Civilian employment rose by 67,000 from March to a record April count of 6,036,000, according to John F. Henning, director of Industrial Relations.

Employment gains were widespread and included the addition of 25,000 in agriculture, 13,000 in construction, and 10,000 in trade.

## \$958,021,775 COLLECTED BY CALIFORNIA CITIES

California's 366 city governments collected \$958,021,775 in general revenues during the fiscal year of 1959-60, State Controller Allan Cranston reported today. Expenditures for general governmental services for the 11,157,059 city residents during the year amounted to \$928,831,980.

## STUDY INDICATES NEED FOR POLIO IMMUNIZATION

The San Diego Department of Public Health yesterday reported a "dangerously low" level of polio immunization among school children at 16 out of 19 San Diego city schools surveyed by the department.

Dr. J. B. Askew, director of public health, said efforts are being made to schedule non-profit polio immunization clinics in the critical areas.

## Charity Ball Planned For 8 p.m. Saturday

### SV Welfare to Receive Proceeds

Final plans for the Spring Valley Welfare Charity Ball have been made. It is scheduled for Saturday at 8 p.m. in the cafeteria of Mt. Miguel High School. Helping with the ball are the various PTA groups of the Spring Valley area. Proceeds from the ball will go to the Spring Valley Welfare for the betterment of children of the community. Mrs. Howard (Mary) Skinner is general chairman.

Music for the ball will be furnished by Dick Vaughn and his orchestra. There will be a personal appearance of the new "Miss Spring Valley," Mariene Bates, who will be a contestant in the Fairest of the Fair contest at Del Mar in June. Door prizes will be given away, and there will be sandwiches, cup cakes, coffee and soft drinks available.

Tickets at \$1 per person donation may be purchased at the door or reserved by phoning Mrs. Skinner at HO 6-7552.

As an added attraction at the Welfare Charity Ball Saturday night, a "Queen of the Ball" will be crowned. Those who wish to participate in this contest must be single

girls between 16 and 26 years of age. The "Queen" will be elected at the ball according to the number of votes she receives.

## Movie Makers Meeting Monday

The La Mesa Movie Makers, sponsored by the La Mesa Recreation Park Department will meet Monday, May 22, at 7:45 p.m. at Porter Hall, 8472 La Mesa Blvd.

The club will present part six of the 18 lesson course about movie making. The subject of this lesson will be about tricks and effects that can be used during filming. A 30-minute film will be shown, entitled, "What A Camera Can Do." This is spring contest night. Members of the Movie Makers group will show films in competition with each other. The films will be judged on a point basis, and a loving cup presented to the winner.

The members of the La Mesa club are eager to meet fellow movie making fans and cordially invite both 8mm and 16mm fans to join them for the evening.

## Store Reports Mother, Daughter Wrote Bad Checks

Mrs. Helen Clark, a Lemon Grove woman, and her daughter have allegedly cashed checks for \$10 and \$20 at the store of Marlin N. Black, 8233 Panchoy, Lemon Grove, on April 27 and 28, which turned out to be "no account" according to Black's report to the sheriff's department. He stated they gave the address on the check endorsements as 1461 El Prado, whereas the sheriff's department discovered they are living at 1503 Dupont, Lemon Grove. Mr. Black says he will prosecute.

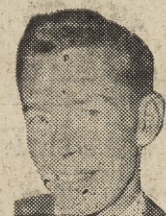

## Fire Auxiliary Re-Activates; Officers Named

The San Diego County Fireman's Association Ladies Auxiliary has been reactivated after many years of inactivity. An election was held for officers. Those elected are: Esther Alexander, Lemon Grove, president; Erma Tipton, Valley Center, vice president; and Eleanor Robeson, La Mesa, secretary.

The new by-laws were drafted, read and approved according to the Robert's Rules of Order. According to the new set of by-laws, all wives, mothers and daughters 18 years of age or older of firemen who belong to the San Diego County Firemen's Assn. are eligible to belong to the Auxiliary.

Meetings are held once a month and alternated so that one meeting is held in the northern part of the county—the next in the south county. Notices are sent to the chief of each department as to when and where that month's meeting is to be held. Meetings are held in close conjunction with the San Diego County Firemen's Assn.

So all of you "Fire-Ladies," come and join our group. You will be warmly welcome.

## Around Our Valley:

News and Views from Spring Valley

By Tommy Thomas

The Spring Valley Charity Ball, sponsored by the Spring Valley Welfare, is scheduled for this Saturday evening at the Mt. Miguel High School from 8 p.m. Donations are \$1 per person.

There will be fun, food, dancing and most of your neighbors waiting for you. Tickets can be bought at the door if you haven't already gotten them through your PTA.

### LIBRARY NEWS

Spring Valley was one of the counties listed as on the priority list for expansion or rebuilding of present library facilities by the county board of supervisors. Who said that things don't come to those who wait and wait and wait.

### AVONDALE NEWS

This summer construction will continue on the addition to Avondale Elementary school. This construction work will draw children like magnets thereby exposing school property and the children to danger. There have already been cases of vandalism reported. This is bad enough, but imagine if one of the youngsters had been hurt while "fooling around."

Please be sure they know that they are not to go near the construction at any time, if not for their sake or the sake of those who've been awaiting completion of the additions, then for your pocketbook. Remember, parents are responsible financially as well as morally for any damage to property done by their children.

**MEET YOUR NEIGHBOR**  
Meet the Spring Valley sewage disposal plant. This is the first neighbor I've introduced you to that's unpleasant, but it's enough of a threat to your health and welfare to warrant space.

The plant was born of man's efforts to improve himself, since in this civilized day and age, sewers are a necessity. Without them homes would not be built nor businesses started.

Through the efforts of Spring Valley citizens led by Fred Hanson, boundaries were set, land was purchased and a plant built, which was then turned over to the Sanitation District, physically and financially sound. It was financially sound because there was enough left in the kitty to provide for expansion of the plant as the Valley grew.

Last year strong odors started emanating from the plant causing nausea in some people and disgust in others. This odor

grew stronger as more homes and businesses were constructed, and when the people who lived in the vicinity of the plant complained, first to the County Board of Supervisors, then to the State Water Pollution Board, all agreed that there was an odor, indeed, a very strong one, and an abundance of mosquitos in the area.

The Pollution Board issued a cease and desist order, which means that no more homes or buildings can be constructed in the area, leaving the whole tax burden on those already living there but still not ridding the valley of the odor. This order has been held in abeyance because the county board promised to do something about the situation.

That's your neighbor. Next week I'll tell you what can be done!

## New Grossmont College Gives Exam Times

Entrance examinations for Grossmont College are set for May 20, May 27, August 23, and September 5 at four points in the community. These tests, administered free of charge, are required before any high school graduate or adult enrolling in college for the first time may register in September. The tests do not determine whether or not an applicant is admitted to the college but help both student and college in choosing right classes for each individual.

The test, which require 3½ hours, are the School and College Aptitude Test and the Co-operative English Test. On May 20, they will be administered at 9 a.m. in room 1009 at El Capitan High School at 10410 Ashwood St., Lakeside, and at 9:30 a.m. in the cafeteria at El Cajon Valley High School at 1035 Madison Ave., El Cajon.

On May 27, the tests will be given at 9 a.m. in room 174 at Grossmont High School and 9:30 a.m. in room 111 at Mt. Miguel High School, 1800 Sweetwater Rd., Spring Valley. Tests set for August 23 will be given at Grossmont College on the campus of Monte Vista High School, 3230 Sweetwater Springs Blvd., in the home-making building at 9 a.m. On September 5, the tests are scheduled at the same place at both 9 a.m. and 7 p.m.

## 5 Science Students Get Awards

Five Mount Miguel High School students received awards for outstanding work in science at the Grossmont Union High School district science clubs award banquet, Monday, May 15 at the El Cajon High School cafeteria.

Awards winners were Doug Kirby, for contributing the most to sciences at Mount Miguel; Sandra Benjamin, outstanding in math; Ron Grunoh, outstanding in physics; Phillip Coleman, outstanding in chemistry; Berry Myers, outstanding in biology.

The Bausch and Lomb award, given to the top senior science student at Mount Miguel, was also presented to Doug Kirby. Those honored were presented with appropriate scientific gifts from money contributed by Convair at the annual banquet.

## CUBS, BOY SCOUTS, EXPLORERS 24,000 Boys Open Ticket Selling Campaign Today

San Diego county's 24,000 Cub Scouts, Boy Scouts and Explorers open their ticket sales campaign today for the year's biggest single Scouting event—the Scout Fair, June 3, Aztec Bowl, San Diego State College.

W. E. Quirk, vice president and general manager of the Southern Counties area of the Pacific Telephone Company and chairman for the Scout Fair, announced this week that nearly all of the 162 Cub Packs, Scout Troops and Explorer units from this Scout District are planning to sell tickets to the Scout Fair and that 54 of them have been selected for special participation in the Fair.

Proceeds from the ticket sales will go to the units for their year-round activities and program equipment. Quirk said tickets are 50 cents each. Children under 6 years old, accompanied by an adult, will be admitted free.

The following units from Spring Valley and Lemon Grove have been selected for special participation in the 1961 Scout Fair:

Pack 338, sponsored by San Miguel School PTA, airport and models; Pack 308 Lemon Grove Lions Club, match folders; Pack 47, Spring Valley Chamber of Commerce, electives; Pack 318, Parents Club of Lemon Grove Congregational Church, neckerchief slides; Pack 354, Casa de Oro School PTA, cub crafts; Pack 307, Group of Citizens, running deer tepee; Pack 325, First Baptist Church of Spring Valley, Indian lore; Pack 329, Bancroft Elementary School PTA, hobbies.

Also, Troop 329, Bancroft School PTA, service unit; Troop 337, Avondale School

PTA, service unit; Troop 333, Lemon Grove First Methodist Church, gardening merit badge; Troop 171, Trinity Presbyterian Church, gun display; Troop 47, Friends Church, service unit; Troop 355, St. Sophia Catholic Church, bicycle safety; and Explorer Patrol 333, Methodist Men's Club, explorer activities.

## County Contains 1/2 Million Phones

There are more than 475,000 telephones in San Diego county. The investment for the southern counties area is over \$600,000,000.

"It takes a lot of good, well trained people to run our business," Mr. Quirk said. "We have over 13,000 employees in the area, almost 5,000 in San Diego county."

Quirk promised continuation of the vigorous growth of the company and a major contribution to the economy and growth of San Diego county and the Southern Counties area when he said, "Pacific Telephone will spend about \$67,000,000 in 1961 for improvements and expansion in the southern counties area, an increase of \$500,000 over the expenditures in 1960. About \$16,600,000 will be spent in San Diego alone in 1961."

The southern counties area includes San Diego, Imperial, Orange, Riverside and San Bernardino counties. Pasadena, Huntington Park and other communities adjacent to the city of Los Angeles are also included.

"Many service improvements and expansion projects were completed this past year," said Quirk, "for example, we replaced our last manual office with dial equipment in southern counties. That was the Ramona office. The cost was \$707,000. We also completed a building addition for our University avenue toll office in San Diego at a cost of \$119,000. Area Investment Is 600 Million

"Some of our programmed expenditures for 1961 in the San Diego area alone are: a new equipment office and plant service center in Santee, costing \$1,367,000; Tennyson street building equipment addition at \$567,000, and a new cable for Escondido - Pauma valley at a cost of \$108,000.

It was indicated that a considerable amount of money is invested in telephone plants by Pacific Telephone. The average plant investment per telephone is close to \$431.00. The total plant investment in San Diego is \$108,000.

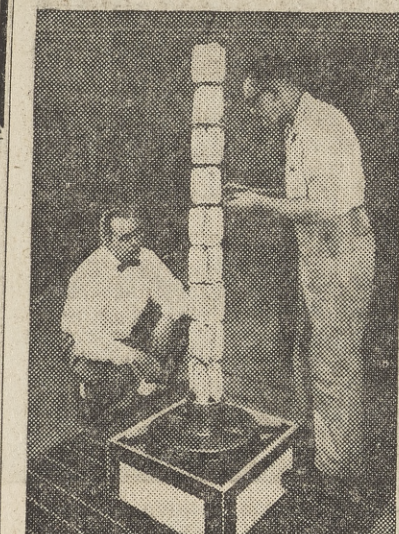

The Princess telephone and an artificial larynx were introduced in 1960. The Princess is little and has a night light. The larynx is a voice for the voiceless. When held against the neck, this 7 ounce device transmits vibration into the throat cavity which can be articulated into words.

"This is not all we've done, or are going to do of course," stated Quirk.

## WHAT'S DOING

Sid Mansfield, your telephone manager in Lemon Grove

A "rock factory" in which man, not Mother Nature runs things, has recently gone into operation. It belongs to Western Electric, the manufacturing branch of the Bell System, and the rocks produced are quartz crystals.

Thin slices of quartz crystal are used in several types of telephone equipment. While there's lots of natural quartz in the world, big crystals that can be sliced are scarce and expensive.

To get around this, Western Electric is using a unique process to "grow" large crystals from small, inexpensive pieces of quartz. The man-made crystals (above) cost a lot less than large, natural ones. And because they are more evenly shaped, twice as many usable slices can be cut from them.

"I'd like the number for—" these are words Carol Picone hears all day long. She's an Information Operator.

A big share of the requests are for numbers of new phones. So Carol has to keep up-to-date on the latest changes.

Each morning, Carol and our other Information Operators get a complete list of all the new phone numbers.

In this way, "Information" is able to give you the number of a new phone installed as recently as the afternoon of the previous day.

S. G. Mansfield, Pacific Telephone Manager today announced that Western Electric, the Bell Telephone System's manufacturing and supply unit, paid out nearly \$167,000,000 in California in 1960 for supplies and services, gross payrolls, and major new construction.

Of this amount, \$140,237,000 was paid to 2,566 suppliers in 209 California towns for raw materials, telephone company supplies, and Government subcontracts. Only New York, where purchases totaled \$176,509,000, topped this figure.

This breaks down to about \$457,000 a day and represents 8 per cent of the \$2,000,000,000 Western Electric spent last year in all of the 50 states and 15 foreign countries.

Mansfield further stated that during the past year Western Electric bought supplies amounting to \$572,198 from 107 business firms in San Diego County.

## Fire Relief Fund Gets \$145

**REWARD**—Check for \$145 is turned over to the Spring Valley Fire Relief Association by the Spring Valley Bulletin as part of a subscription campaign. Bulletin agreed to pay the relief association 25¢ for each new subscriber as a means of getting more readers and, in turn, acquainting more local residents with the goings-on in the Spring Valley community. Accepting the check for the relief association is Spring Valley Fire Captain Richard W. Sass and Volunteer Captain Herbert G. Preston. The money will go into the relief association's general fund to be used as needed. Staff photo.

**Colt League Sets Opening Events**

Opening Day festivities will be held Sunday by the Mt. Helix View Colt baseball league Sunday at 1 p.m. at the Helix high school baseball field.

Three 3-inning exhibition games among the league's six teams will follow ceremonies at which dignitaries, league personnel and players will be presented.

2, with Irving Wallace as the winner on the mound.  
Blue Caps 17, Gold Caps 10 and the winning pitcher, John Tyndall.

Red Caps 9, Maroon Caps 1, with the winning pitcher, Dan Davis.

## Four-Man Team To Play at Westgate Park

Eddie Feigner, world famous softball pitcher, will appear in Westgate Park this week on Thursday at 8 p.m. in an exhibition as he leads his unique four-man team against an all-star nine-man team of the outstanding softball players in San Diego County.

Master of 19 windups and a fast ball clocked at 104 miles per hour, Feigner has a record of 2,035 games won out of 2,265, with 38,249 strike-outs. His team, which includes only catcher Ron Cooper, first baseman Al Jackson and shortstop Mike Mellicke, has barnstormed the U.S. playing full-size teams for 16 years as "The King and His Court."

Chet Jordan, long-time San Diego pitching star and now an amputee, will open on the mound for the All Stars with Hal Towne and Doil Millsap in reserve. Other All Stars will include Raul Garcia, Pete Gonzales, Bill Tincup, Jim Gilchrist, Tony Lujan and Jim Clark.

Do De Skedel pointed out that applications should be turned in now by women for all types of winter, handicap and hi-scratch leagues. She added that women are encour-

## Golden Bowl Reports Alleys Staying 'Hot'

### Activity Heavy Since Opening Friday Evening

The Golden Bowl bowling lanes at 9805 Campo Rd., opened the doors to the public last Friday evening with a big crowd of keggers waiting to get in. Sid Kent, president of Golden Bowl, said the alleys "were hot" up to 2:30 a.m. Saturday, and have been going steady ever since.

Ray Hollis, vice president of Golden Bowl, said that summer leagues, junior leagues and mixed leagues are now forming, and that bowlers are urged to reserve spots now. Call Ray Hollis at HO 5-0123.

Hollis and Do De Skedel, popular Spring Valley female bowler, are scheduled as instructors for the Golden Bowl. Hollis said there will be free instructions for juniors each Saturday morning until noon. Also a class is being formed to instruct women each morning at 9 o'clock.

Do De Skedel pointed out that applications should be turned in now by women for all types of winter, handicap and hi-scratch leagues. She added that women are encour-

aged to drop into Golden Bowl Thursday night of this week when the girls' foursome league will be starting.

President Sid Kent has announced the following persons who will be associated with Golden Bowl: In the Nuggett Room (cocktail lounge), Bob Morris and Mason Hinkle; in the Pick and Shovel room (snack bar), Paul Doty, and head mechanic of the lanes is Howard Cyle.

## Optimists Plan Baseball Night

San Diego city and county Optimists clubs this week announced plans for sponsorship of the second annual "baseball night" on Tuesday, June 6, at Westgate Ball Park. The Lemon Grove Optimist club is co-sponsor of the event together with 40 clubs throughout the county as a joint fund raising campaign. The Presidio Optimist club will host the program.

In town for a four game series, the Padres will be playing the Honolulu Islanders, the PCL's newly franchised baseball team.

All funds raised as a result of ticket sales by Optimists will go toward the Optimists Boys Work Fund. A "sell-out" is anticipated.

Arrangements are being made for a two-inning softball game to be played between Optimists presidents from zones four and 13 as a pre-game exhibition. Introductions of special guests and the award of prizes is scheduled as a part of the program scheduled to start at 7 p.m., an hour before the regular game starts.

Tickets to the game are in distribution by Optimists members throughout the county.

## 5 Yellowtail Wins Total 123 Pounds

Five yellowtail, weighing nearly 123 lbs., swam off with top honors for their owners in the fifth week of the 15th annual San Diego Yellowtail Derby, Andy Grayner, Derby committee chairman, revealed today.

First place winner was Ivan Benham of Venice, Calif., who boated his 25-lb. 2-oz. yellowtail on the Fisherette. Benham won a 19-inch portable TV set.

## Cajon de Oro Little League Exhibiting 'Pro' Ballplaying

The second week of playing for the Cajon de Oro Little League, showed some real "pro" games, with one shut-out, a tie game and some heavy hitting in both the majors and minors. The following is the breakdown for the week.

### MAJORS

May 9. Elks 6, Bears 2, with Tom Arnold as the winner on the mound.

May 10. Colts 3, Lions 0, with the shut-out being executed by Richey Clancy. It was a no-error game.

May 11. Tigers 9, Cougars 9. Two pitchers were used for each team: for the Tigers, it was Dave Junker and George Stack; and for the Cougars, Roger Joseph and Richard Mitchell. No date has been set for the playoff.

May 12. Colts 8, Bears 6, with the winning pitcher being Mike Peterson.

May 13. In the first game of a double-header, it was Elks 22, Cougars 5. Mike Garber was the winning pitcher.

In the second game, it was Tigers 12, Lions 3, the winning pitcher, Arvin Bhalls, who also knocked out a home run.

### MINORS

May 8. Eagles 23, Cardinals 8. Winning pitcher, Douglas Womack.

May 10. Orioles 28, Robins 19. Winning pitcher, Randy Rains.

May 11. Larks 19, Hawks 14, with Robert Westcott as the winning pitcher.

May 12. Orioles 21, Eagles 6. Randy Rains was the winning pitcher.

May 13. In the first game of a double-header, it was Larks 25, Robins 6. Winning pitcher was Leroy Hansen.

In the second game, it was Cardinals 14, Hawks 11. John Ritter was the winning pitcher. Mark Godwin of the Card got

a homer, and two of his team mates made a sensational double play; Grm to Weaver.

## Woman Catches Biggest Yellowtail

Woman's place need not always be in the home. Mrs. Lillian Solem of Monrovia, California, proved last week that a choice spot along the railing of a sportfishing boat can be rewarding, too.

Mrs. Solem wound up on the winner's list in the sixth week of the 15th annual San Diego Yellowtail Derby by taking fifth place with a 21-lb. 12-oz. yellowtail aboard the Paularto III. She lives at 606 Bonita St.

**FASHION TALK** — Mrs. Mary Treadwell, fashion coordinator, discusses plans for today's El Cajon High School Girl's League Fashion Show with League representatives (l to r) Pat Rose, Pat House and Sharron Schexnayder. The show is

at 1:30 today in the school's quad. About 600 girls were expected to attend the showing which will display sportswear, casual wear, date dresses, formals and bathing suits.

## Chargers to Meet Oakland Team in Pre-season Game

SAN DIEGO—The San Diego Chargers today completed their pre-season schedule with the announcement by head coach-general manager Sid Gillman that the American Football League team would meet the Oakland Raiders, August 27, and the Dallas Texans, September 3, at Balboa Stadium to close out non-league play.

## New Lodge Ready At Singing Hills

Twenty-one units in the new Lodge at Singing Hills Country Club were opened last week to accommodate golfers and vacationers who seek country club atmosphere, according to Steve Horrell, lodge manager. The Lodge is comprised of 10 single and 11 double ones built in an olive grove adjacent to the present clubhouse. Each room has a view of both Singing Hills golf courses. A swimming pool, terrace, practice putting green, private telephone, air conditioning and courtesy coffee is included. It is not necessary to carry a Singing Hills membership to use the facilities, Horrell said.

Meanwhile the clubhouse is undergoing remodeling and refurbishing. This project will be completed in about three weeks but business in the clubhouse dining room and bar will go on as usual according to Jerry Hollingsworth, assistant manager.

A third golf course has been "roughed out" over its 7,000 yard play area and will be ready next year, Horrell said.

The Raider and Texan engagements are the Chargers' third and fourth pre-season games, following an August 6 home inaugural with the AFL champion Houston Oilers and an August 18 journey to Honolulu to test the Oilers.

Oakland finished third behind the Western Division titlist Chargers last year and figure to improve markedly in 1961.

"We feel we've bolstered ourselves," says Raider coach Eddie Erdelatz, "particularly in our signing of George Fleming and through our recent trade

## Padres to Host Tacoma, Salt Lake

Tacoma and Salt Lake City will make their first 1961 visits to Westgate Park next week to engage San Diego's Padres. Red Davis once again is at the helm of the Giants, owned by San Francisco, but the Bees have a new skipper in Fred Fitzsimmons, former Major League pitcher.

Tacoma will be here for four games, starting Tuesday night and continuing through next Thursday. There will be a doubleheader Wednesday evening.

Salt Lake City comes in Friday, also for four games through Sunday. Then the Padres hop to Hawaii for the first time May 29 for four games with the Islanders. They'll be at Tacoma June 24, then return home for a long home stand.

Hawaii will appear at Westgate Park June 5-8.

with the Boston Patriots."

Fleming is remembered for his Rose Bowl heroics for the Washington Huskies in the last two renewals of the New Year's Day classic. The 5-11, 190-pound halfback is an outstanding pass receiver and field goal specialist.

## April Building Permits Total 11 for Grove

The county of San Diego department of public works has issued figures on building permits issued in unincorporated areas during April. The report shows that Lemon Grove has been issued eight new permits for one-family dwellings, valued at \$116,000, two permits for duplexes and over, valued at \$7,000, and three permits for commercial buildings, valued at \$144,300.

Spring Valley was reported to have been issued no new permits. Casa de Oro, however, was issued one one-family dwelling permit, valued at \$43,500, and La Presa, eight one-family dwelling permits, valued at \$52,000 and three commercial building permits valued at \$23,200.

Leader for the county was Sweetwater, which was issued 31 new one-family dwelling permits valued at \$660,000. As in March, Santee led the county for commercial building permits with a total of six, valued at \$77,900.

## Ministry Sunday, May Fair, Are Set For LG Methodists

Ministry Sunday, a new day in the Methodist calendar, will be marked this week at the L.G. Methodist church. The day will be used to mark the significance of the ministry. The following Sunday is Aldersgate Sunday and Pentecost. Sermon topic Sunday will be "Would You Enter the Ministry?"

Saturday of this week a May Fair will be held in the church patio. Bazaar items, a green thumb plant booth, a silent auction, bake goods and candy sales will be featured. Child care, movies, go-cart rides and hot plate lunch will also be offered. The event starts at 10, winds up at 4.

## Baptist Group Having Carwash To Raise Money

The college age fellowship of the La Mesa First Baptist Church is holding a special car-wash day May 20 from 9 a.m. to 4 p.m. at the Ben Hur service station at Broadway and New Jersey streets in Lemon Grove.

Fellowship president Steve Taylor of 7850 Palm St., Lemon Grove, said members of his group will do the car washing and that proceeds will go toward paying off a mortgage on the church building. Donation for each car wash will be \$1.

## Casa de Oro Baptists Attend Conference

Delegates and other members of the Casa de Oro Baptist Church attended the various sessions of the annual meeting of the Baptist General Conference of Southern California recently at the College Avenue Baptist Church. Featured speaker was Rev. Robert Featherstone, associate secretary of the Board of Home Missions. Rev. Featherstone is from Chicago. The meeting closed with a banquet at Scott Memorial Baptist Church.

The Vacation Bible School staff met Monday night. Rev. Ernest Anderson, pastor, introduced the director of the school. This was followed by an informative film and a time of fellowship. Refreshments were served from a table depicting the Vacation Bible School theme, "Safari." Rev. Anderson said the school will be open to all children between the ages of three through the sixth grade and is scheduled for June 19-23.

The high school-college age sponsors, the pastor and officers of this youth group met Monday afternoon to make plans for the annual summer youth program, which will include both Friday and Sunday meetings.

A series of special evangelistic meetings will begin at the 11 a.m. services May 28, with

tickets to the banquet. Mrs. A. L. (Susan) Farr, long-time member of the church was in charge of the presentations. Those honored were: (graduating from college) Sandra Galbreath, Paul Merriman, Paul Rout, and Jack Thomas. (Graduating from high school—Dennis Phelps Robin Fligo, Diana Doty, Joan O'Dell, Kenneth Hedges, Russell Torge, and James Collins. "Moonlight and Roses" will be the theme for the Mount Miguel high school senior prom to be held on May 19, at the Hotel Del Coronado from 8:30 p.m. until midnight.

Charles Parnell and his orchestra will provide the music. Patti Putnam, prom committee chairman, promises, "The Mount Miguel senior class of 1961 can expect the best prom in the Southland!"

The after-prom, "Sunrise Serenade," the parents' gift to the seniors, is to be held at the Elk's Club in El Cajon from 1 a.m. to 5 a.m. Music and entertainment will be provided by Tony Higgins.

"The parents have planned good entertainment and many door prizes and hope that all the seniors will attend," stated Mrs. Dwight Putnam, chairman of the after-prom committee.

## Presbyterian Sermon Deals With Guidance

Regular services will be held Sunday, May 21 at 9:30 and 11 a.m. at the La Mesa United Presbyterian Church, 4426 Harbison. The sermon, "When God Guides," will be delivered by the Rev. Kenneth E. Grant.

The Niner Fellowship and the Senior High Fellowship will hold their regular weekly meeting at 7 p.m. Sunday. In lieu of their own association meeting this month, the Women's Association has accepted an invitation to join the women of the El Cajon church for a luncheon meeting on Thursday, May 10, at which time they will hear from some of the foreign delegates who are en route to Purdue. Mrs. Kenneth E. Grant will be the soloist for the afternoon's program.

Communicant's class six will meet Thursday evening at 7:30. Regular scheduled meetings for the week are: Monday, May 22, 4 p.m., Youth choir rehearsal; 7:30 p.m., UPMEN meeting; Tuesday, May 23, 7 p.m., Boy Scout Troop 315; Wednesday, May 24, 7:15 p.m., Junior High fellowship; 7:30 p.m., midweek fellowship; 7:30 p.m., Chancel choir rehearsal; Thursday, May 25, 7:30 p.m., communicant's class seven.

## Topic Is Exodus At Vista La Mesa

"All Of Me" will be the topic of the Sunday message at the Vista La Mesa Christian Church. Rev. Richard G. Davis, minister. Members and friends are urged to read chapters 5-12 of the book of Exodus as background for this message. This is a timely message, both in terms of man's giving his all to God, and in terms of the modern "Exodus," the movie which will be in San Diego very soon. The sermon is a sentence: "When man worships God, it requires all man is and has!" Services are at 9:45 and 11.

Visitors for the United Stewardship convass meet at 3 for training. Youth from grade 7 through 12 meet at 6:30. The church at Massachusetts and University is God's church. If you have none at present, perhaps it could be yours, too.

Nursery care is provided for all services, beginning with the first church school at 8:45. The church with the "Lighted Steeple" welcomes your visit and attendance.

## Riding Group To Give Exhibit At Garden Club

An exhibitors' party will be given by the Rancho Riding Club Saturday, June 3, from 6:30 to 8 p.m. at the Garden Club, Rancho Santa Fe. Junior exhibitors will be entertained by the Rancho Riding Club juniors in the patio of the Garden Club.

Mrs. Paul Dobson is chairman of this event, and Mrs. Anthony Mahon is in charge of food. Host and hostess are Mr. and Mrs. Carl Muench, Mr. and Mrs. Alvin Trepte, Mr. and Mrs. Walter Young, Mr. and Mrs. Charles Chapin, Mr. and Mrs. Anthony Mahon, and Mr. and Mrs. Russell Fellows.

## Stolen ID Used For Cashing Checks

Bill Wade Anderson of El Cajon and Lemon Grove's Don Diego Market, 7702 Broadway, are on the hunt for a man who is using identification cards belonging to Anderson, obtained it is said, from a wallet lost several weeks ago. The unknown is issuing checks under Anderson's name on the El Cajon Branch of the Security First National Bank, one of his victims being the Don Diego Market in Lemon Grove.

The manager, Charles Dagan Hurt, reported to the sheriff's department on May 5, that he cashed a check for \$25 on April 22 for groceries given him by a man who claimed to be Anderson, and who displayed three or four ID cards to substantiate his claim. The investigation is being continued by Deputy Sheriff John H. Prusa.

## SAVE-LOAN MANAGER OFF TO CONFERENCE

Robert C. Wilson, vice president and branch manager, Southland Savings, the sixth annual Branch Operations Conference sponsored by the California Savings and Loan League in Pasadena.

Over 250 savings association executives from throughout California were at the meeting which will be devoted to intensive discussion of the operation and personnel of savings and loan association branch offices, with particular emphasis on the problems and procedures of this facet of the savings and loan business.

## Grove Pastor Wins Conference Election

Rev. E. Walter Smith, pastor of the Lemon Grove First Congregational Church, received a signal honor when he was elected moderator of the Conference of Congregational Churches of Southern California and the Southwest at its annual meeting in Van Nuys May 8, 9 and 10.

The Conference serves southern California, Arizona, New Mexico and El Paso. It celebrated its 75th anniversary at this meeting.

Pastor Smith's election to the highest office in the conference

## Foothills PTA Plans Meeting

Foothills Secondary Council PTA will hold a joint board meeting in the Cajon Valley Junior High library Tuesday, May 23, at 7:30 p.m. All outgoing council board members are asked to attend and meet with the incoming board members for next year.

There will be ninth district workshop Friday, May 26, in Balboa Park, from 8-12 a.m. for all officers and chairmen of units and councils.

## Miguel Glee Club Entering Oceanside Choral Festival

Mount Miguel high school's glee clubs will attend the Southern California Vocal Association choral festival for glee clubs, Friday, May 19, at Oceanside high school.

Participants will be adjudicated according to blend, tone quality, balance, and other factors.

The men's glee club will sing "Dark Water" by James, "Do you fear the wind?" by Sateren, and "Jess Grant Me Hope and Comfort" by Franck. The girls' glee will sing "Service" by Cadman, "Calm as the Night" by Bohm, and "Warrenton", arranged by John Jacob Niles. Martha Irwin will be the accompanist.

"I feel," remarked Mr. Robert Boucher, Mount Miguel's choral director, "that the groups are well prepared, and I anticipate a top performance."

## How does he help keep an old American tradition alive?

SELF-reliance or the desire to "do-it-yourself" is an old American custom. Your hardware dealer is a big reason why this tradition continues to thrive. He is constantly alert for new ways to help you fix that leaky faucet, the jammed lock, the broken window.

Service is his business. That's why your hardware dealer stocks literally thousands of items—so that he can serve you at moment's notice. And as your friend and neighbor he helps you in other ways, too. Whatever you decide to do yourself, paint, repair a lamp, clean the piping or shingle the roof, he's ready with sound advice for you.

And how rewarding for you if your hardware dealer gives you S&H Green Stamps,

Today, nearly half the families in America save them.

Your S&H Green Stamps make it possible for you to choose from over 1,500 top-quality, famous brand-name items at your S&H Green Stamp Redemption Store.

## Grove Naval Officer Cited

COMMENDATION—Lt. Cmdr. William R. Gibbs of Lemon Grove (right) is awarded the Air Force Commendation medal on San Clemente Island following a rescue mission. Cmdr. Gibbs, who lives with his family at 1714 La Corta, was cited for leading a rescue party to save an airman who had fallen from a cliff and was seriously injured. He and his party carried the man four miles over rugged

remain to a waiting ambulance. Cmdr. Gibbs attended Hoover High school in San Diego and joined the Navy in 1932. He rose through the ranks serving primarily aboard destroyers. He was aboard the Destroyer Dewey at Pearl Harbor on December 7, 1941 and served in nine different naval battles. USNS Photo

## THROUGH HEART ASSN. GRANT SDSC Launches Heart Tests for Children

An exercise test for children with heart trouble is being developed at San Diego State College with the aid of a \$5,753 grant from the San Diego County Heart Assn.

F. W. Kasch, Ed.D. of the Bio-Medical Research Institute, San Diego, is collecting key measurements of pulse rate, blood pressure, blood oxygen saturation, and oxygen consumption on children who are stepping up and down on a bench eight inches high 24 times a minute for three minutes or less. A comparison of subjects is also being made, using a 12-inch bench.

### OBJECT TOLD

The objective of the research project is to find a simple and reliable means of estimating what kind and how much of physical exercise a child with heart trouble can do safely and without damage to the heart muscle.

Measuring pulse rate, oxygen intake and other factors during exercise, and each minute for the first five after exercise, Dr. Kasch has found that normal hearts return to a base rate far more rapidly than defective

hearts. Hence it is possible to chart characteristic graphs that give a physician or school official a fair indication of the tolerance a given child has for exercise.

### SCREENING DEVICE

Dr. Kasch emphasized that more elaborate tests can be and are being done on cardiac children who have congenital heart defects. "What we are after in the development of this step test," he said, "is a screening device that can measure heart and lung function easily, regardless of the particular cause of the heart trouble."

### SERIES MADE

Measurements have now been made on a series of normal children ranging in age from 5 to 16 years. These measurements will be compared with those of cardiac children, either before or after heart surgery or both.

The association grant has been awarded to Dr. Kasch for technical assistance and equipment with which to conduct the tests and supplies.

## Placement Office To Stay Open During Summer

San Diego City College will keep its placement office open during the entire summer, Arthur M. Jensen, placement counselor, announced today. This marks the first time the college has maintained the service during the summer months.

Hundreds of students at the college are seeking full and part-time employment for the summer, Jensen said, but the placement counselors are optimistic about the employment outlook for them.

Because most city college students are over 18 years of age, they do not need work permits or any restrictions, on hours.

The majority of the students for employment have specific skills such as bookkeeping, drafting, typing, shorthand, cashiering, and sales or stock room experience.

### SPRAYING NECESSARY

The spray program which has been successful for the past several years in preventing infestation of the Mexican fruit fly in California fruit orchards is just getting underway, according to Dean Palmer, county agricultural commissioner.

Spray crews started applying protective bait sprays in Tijuana on Monday, April 24, in a cooperative project with the United States Department of Agriculture and Mexican agricultural officials. A Mexican fruit fly was taken in the Tijuana area on April 20 in one of the special traps which are operated throughout the year to detect the presence of this serious pest of citrus and deciduous fruits, Palmer said.

## Money Stolen, Mess Left, by Burglar

Cutting an 18 inch long gas in a screen door was done by a burglar to enter the home of Jewett Shea, 1621 Cameron Dr. Lemon Grove, between 8:11 a.m. and 12:45 p.m. May 9, and to ransack the home, or give it the appearance of having been so handled.

Thomas Shea, the 11-year-old son, came home early from school, because of illness, and found all drawers and closet doors opened and contents dumped on floors, beds, tables and chairs. Nothing was taken but cash from various places, including the pocket of Mr. Shea's trousers.

The total haul was \$191.05 in cash. Mr. Shea believed that whoever entered the house knew exactly what they were after, but upset everything as a red herring to a deliberately planned burglary.

## San Diego Getting Tough On Litterers

The number of citations issued in San Diego for litter violations is being stepped up. During a recent week, eight were issued by the Sanitation Division of the Department of Public Works and five by the Traffic Division of the San Diego Police Department.

"This is in line with the request for stricter law enforcement recently made by the War Against Litter Committee to the Mayor and the City Council," said Harry J. La Dou, general chairman of the committee.

Violations have included dumping trash on the highway, allowing litter to blow off trucks, and sweeping and washing debris from sidewalks into the street.

## Thieves Stealing Car Bit by Bit

From gasoline to hub caps to internal works, is the progression of petty thieves in making away with things automotive. Russell Foster, 1490 Skyline Dr., Lemon Grove, is the victim of the internal works snatch. His '57 Ford country sedan station wagon, parked in front of his residence between 10 p.m., May 8, and 6:30 a.m., May 9, was jacked up and the drive shaft taken out and carried away. Mrs. Elsie Foster reported to the sheriff's department at 9:30 a.m. the loss of the drive shaft and said her husband discovered it when he attempted to drive the car to work, and a tow car to carry it away was needed. The investigating deputy sheriff assigned found footprints had been obliterated by the husband and the garage men walking in the area. Investigation continues.

## Elementary PTA Meeting in Valley

The Spring Valley Elementary PTA will meet in the school cafeteria tonight at 7:30 p.m. The theme for the evening will be "We Salute the Future." The flag ceremony will be given by Cub Scout Pack 331.

One of the items of business will be the installation of the new officers. The historian will give her report of the year's activities. Special music will be provided by an instrumental group. Hostesses for the evening will be the mothers of the 4th and 5th combination and 4th grade pupils.

## Error on Grad Announcements Peeves Seniors

Some 400 Mt. Miguel high school seniors are peeved by the June graduation announcements which they ordered and which arrived lately, according to Joe Joseph Jr., 17, one of the seniors.

He said that an El Monte printing firm had put "La Mesa" instead of "Spring Valley" as the graduation site but compensated for the error by printing additional cards of a smaller size with the right location.

Each senior now must send a copy of each announcement—he regular big card and the smaller correction card—Joe explained. He added that seniors ordered an average of 25 announcements each and that about four-fifths of the seniors at Mt. Miguel ordered announcements.

Joe, who lives with his parents at 2934 Helix, said he paid \$8 for his order.

## Exodus' Movie Sponsored by Opti-Mrs. Group

The Opti-Mrs. Clubs of San Diego County are engaging in their first joint venture, the sponsoring of the San Diego premiere of the film "Exodus," which opens May 24 at the Capri Theatre. Proceeds will go into the building fund of the San Diego County Assn. for Retarded Children.

Tickets may be obtained by calling BE 9-1857 or from an Opti-Mrs. representative in the lobby of the theatre.

## Enola Williams Services Held

Services for Mrs. Enola Williams, 55, were held May 12 at 1:30 p.m. at Greenwood Mortuary. A native of Kansas, she had been a San Diego County resident for 18 years. She lived at 1540 Skyline Dr., Lemon Grove.

Surviving are her husband, Irvin; a daughter, Mrs. Jackie Ortega of San Diego, and two brothers, Charles Waterman of National City and Chauncey Waterman of Lemon Grove. Interment was at Greenwood Memorial Park.

## PUBLIC NOTICE-- ITS MANY USES

Copyright 1960

By James E. Pollard

Here is another series of articles on legal advertising. The first few will deal with background of legal notices. Later specific legal notices will be discussed.

### NOTICE TO BIDDERS

(No. 9 in a Series)

One of the most common forms of public notice, or legal advertising, has to do with bids on public works, services, or supplies and equipment. An actual Ohio notice of this kind some time ago began as follows:

Sealed proposals will be received at the OFFICE OF THE DIRECTOR OF PUBLIC WORKS, DIVISION OF STATE ARCHITECT AND ENGINEER, 705 OHIO DEPARTMENT BUILDING, COLUMBUS, OHIO, until Monday, October 7, 1957, at 2:00 p.m. Eastern Standard Time, and opened immediately thereafter for furnishing the material and performing the labor for the execution and construction of Air Conditioning of Surgery, Ohio Tuberculosis Hospital, Columbus, Ohio, in accordance with the plans and specifications prepared by .....

The notice went on to tell where copies of plans, specifications and other materials and information could be obtained, and under what conditions. Each bid submitted had to be accompanied by the state form of combination bidding and contract bond in the sum of 100 per cent of the bid.

Whether it is a highway construction contract, a new school building or some other form of public business, the legal notice is a "must" in such situations. The one quoted, by law, was to be published four times to give timely as well as ample notice.

It is significant, too, that the newspaper of paid, general circulation is the chief medium relied upon to invite bids for performing public business. It has the double advantage of being both economical and effective.

PAUL NEWMAN as Ari Ben Canaan, leads an Israeli raid on Acre Prison in a scene from "Exodus." The film was shot on location in Israel and Cyprus. Premiere showing will be May 24 in San Diego at Capri theatre in an exclusive reserved seat engagement.

## Jarred Auto Rolls Downhill, Hits Garage

A car belonging to John Burich of 2033 Bonita St., Lemon Grove, suddenly rolled downhill from his driveway early Saturday morning and crashed into a neighbor's garage. Two tow trucks were required to get it out of the position in which it came to rest.

It was reported that failure to fully engage the parking brake caused the accident which resulted in about \$75 damage to the garage and \$100 to the car.

The car had stayed in its position on Burich's driveway all night. In the morning he briefly entered the car, slamming the door when he got out. Going back into his house, he heard the splintering crash which occurred after the car went over a five-foot retaining

### GRAPE PEST GETS TO ESCONDIDO

The western grape leaf skeletonizer, a serious insect pest of grapevines, has now spread westward into the Escondido area of San Diego County, the Department of Agriculture announced. This newly-found infestation outside of the quarantine lines has caused the department to extend the area under quarantine in San Diego County.

## LG, SV Chambers To Help Welcome College President

Lemon Grove and Spring Valley chambers of commerce are joining in planning a welcome reception to honor the newly appointed president of Grossmont College, John S. Hansen, and Mrs. Hansen, for the afternoon and evening of May 29 at Anthony's Restaurant, 9530 Murray Dr. The new president and his wife will move from Fresno after June 1 when he assumes his new duties full time.

Other community and school organizations helping to plan the reception are: Foothills Secondary, Tierra del Sol, El Capitan, and Mt. Helix Councils of the Parent-Teacher Association; El Cajon and La Mesa branches of the American Association of University Women; Alpine, El Cajon, Lakeside, La Mesa and Santee chambers of commerce; Grossmont Union High School District Teachers Assn., Grossmont Union High School District Classified Employees Assn.; and the Grossmont Citizens Advisory Committee.

Members of these organizations and other friends of education in the community are invited to meet Mr. and Mrs. Hansen from 4 to 5:30 and from 7:30 to 9:30 p.m.

## Check Machines Valued at \$420 Stolen from Car

Albert Girard Weiss, 8632 Idica, Spring Valley, an employee for the Burroughs Corporation, reported to the sheriff's department May 12 that at 9:30 o'clock May 11 some unknowns removed from his automobile parked at the Lemon Grove Bowlero, three check protectors from among nine similar machines he was carrying in the rear of his Ranchero car.

They were Burroughs check writers and all new and still in their cardboard cartons. The value of the machines is \$140 each. He has no suspects in mind and said he heard no car.

### ELECTED TO ACADEMY

Per F. Scholander, professor of physiology at the University of California's Scripps Institution of Oceanography, today was elected a member of the nation's foremost scientific body, the National Academy of Sciences, dispatches from Washington said.

## Drive Starts July 1

## Dr. Holland Named Head Of Group for Retarded

Dr. George Holland, a San Diego dentist who resides at 8195 Lincoln St. Lemon Grove, has been named president of the East County Chapter of the San Diego Association for Retarded Children.

Dr. Holland and his wife have been active with the association for several years. He says his aim as president of the organization will be to expand the educational and recreational program for the retarded. The immediately vital goal for the East County area is to get facilities for this purpose, Dr. Holland pointed out.

Mrs. Holland has been instrumental in initiating dental health education for the retarded. She is a member of the Women's Auxiliary of the San Diego County Dental Society.

Area chairmen and committee members will soon be named, Dr. Holland said. At that time a volunteer program also will be gotten underway.

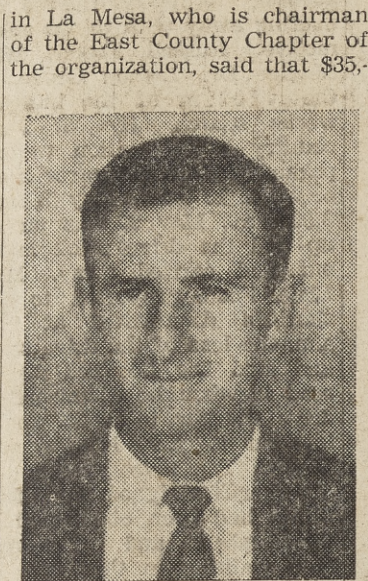

The organization is starting a fund-raising drive on July 1. The purpose is to buy or construct facilities for 5,600 mentally retarded in the Heartland area, including La Mesa, El Cajon, Spring Valley, Lemon Grove, Lakeside, Santee and Alpine. At present there are facilities for only 400.

The proposed center would include facilities for care of nursery children and teenage and adult training and recreation.

The association had its kick-off meeting on May 9 and the Alpha Sigma Chapter of Omega Nu Tau sorority presented a check for \$75 to get the drive underway. Dr. George Brown, 8602 Damroche Circle

### BLIND MAY APPLY FOR SUMMER CAMP

Registrations are still open for blind persons to attend Enchanted Hills Camp this summer, according to Director Nine Brandt. The 15-year-old camp, a division of the non-profit San Francisco Light-house for the Blind, is located in the redwood groves of Mount Veeder, 12 miles from Napa; transportation is provided from San Francisco. Any legally blind person may write for an application blank to Enchanted Hills Camp, 1097 Howard street, San Francisco.

Dr. George Holland

000 was the immediate goal of the drive but that more money would be needed later on for expansion.

Dr. Brown said the association might purchase an existing building but would prefer constructing one of its own so that expansion could be planned more effectively. Under consideration is an El Cajon City building which could be purchased for the \$35,000.

## Law Seeks Car Thief Who Left Stolen Car Here

The Sheriff's Department is looking for an unknown person who stole the car of Franklin D. Roth and Patricia Palmer, 3081 Lincoln, San Diego, depositing it in a vacant lot across the street from 2541 Corona, Lemon Grove.

Mrs. Baumgardner of 2525 Corona, noted the car being driven onto the lot and a young man walking away from it the morning of May 10. She telephoned the Sheriff's Department. Deputies found the Buick Roadmaster 4-door, a box containing a fuel pump, jack and tire tools, a brown paper sack in the rear seat containing four dresses, seven blouses and two pairs of ladies shoes. The car has been impounded at the Lemon Grove sub-station, upon request of the El Cajon police department.

## Monterey Heights PTA Plans June Teachers' Lunch

The May board meeting of the Monterey Heights PTA was held at the home of Mrs. Frederick Simpson. Plans were made for the teachers' luncheon to be given by the PTA on June 16.

Mrs. W. D. Riddick announced the registration date for the backyard swim would be on June 10 at 10 a.m. at the school. There will be no charge for these classes, however. Any donation will be gladly accepted by the PTA to defray the expense of chlorine for the pools. Anyone wanting additional information may call Mrs. Riddick at HO 9-2007.

The PTA will sponsor its third polio clinic June 15. The June board meeting will be held on the first of June at 7:30 in the school cafeteria. This will be a joint meeting of both the current and the new board members.

Mrs. Farrell Patton, president-elect, gave a report on the recent PTA convention. The report was summed up by a quote regarding the aim of PTA towards the betterment of home, school and community. The quote was: "Coming together is beginning; keeping together is progress; thinking together is unity; working together is success."

## Armed Forces Day Programs Set for Friday

Armed Forces Day will be observed by military facilities in the San Diego area Saturday.

Miramar Naval Air Station will hold "open house." The F4H Phantom, 1,500 mph jet, will be on display.

The U.S. Naval Amphibious Base at Coronado will be visited by the public via landing craft from the 5th avenue and 28th street fleet landing. The craft will make continuous trips from 9 a.m. to 3 p.m. The navy's fighting frogmen will demonstrate their training.

Other military facilities holding "open house" ceremonies Friday are: Naval Training Center, Marine Corps Recruit Depot, Naval Station, Fleet Training Center, Fleet Anti-Submarine Warfare School, Auxiliary Landing Field, El Centro; and Marine Corps Base at Camp Pendleton. The latter will be open Thursday, Friday and Saturday to the public.

## SV Artists Display Pottery at Park

Two Spring Valley artist-potters, Portia and William Bowne, are represented in the all membership Potter's Guild May exhibit of pottery at the Spanish Village in Balboa Park.

This exhibit in studio 29 is arranged in a garden setting of crushed stones and river pebbles set against bamboo and weathered wood fencing in addition to an outdoor succulent garden built and landscaped by William Bowne.

Show items include candle burning patio lanterns, wind bells, fence mosaics and plaques, sculptured birds and fish, bonsai pots in varying sizes and colors, decorated and plain flower pots ready for planting, sculptured pots in rocklike shapes and glazes, patio ash trays and picnic table accessories.

## Auto Show, Johnny Downs Among ESD Fair Features

EL CAJON—The ninth annual Eastern San Diego County Fair to be held at Gillespie Field May 25 through 30 will have a unique auto show in the community tent. Jim Hinck, of the El Cajon Junior Chamber of Commerce, sponsors of the annual fair, said that arrangements have been made to have cars on display representing the past, the present, and the future.

The car which will probably attract the greatest attention is the Gem Air Car, the car of the future, which rides on air, not wheels.

Johnny Downs, well-known television personality, will be the star attraction of Kid's Day at the fair scheduled for Saturday, May 27.

The first 1,000 kids entering the fair grounds at 10 a.m. will receive a free ride ticket apiece. Then at 2 p.m. children will be invited by Downs to take part in the many contests. They will be able to enter a freckleface contest, bubble-gum blowing contest, pie-eating contest and many other similar fun-type contests. Prizes will be awarded to winners. Four lucky winners will go home with bicycles.

## Joseph Szalay Wins Prize From Ford

Joseph Szalay, 7664 Madison Ave., Lemon Grove, employed by Tractor Supply Co. is the first winner in this area of a merchandise prize in a national telephone quiz program being conducted by Ford's Tractor and Implement Division for dealer salesmen.

Over 300 salesmen were called nationally during a two-week period for answers to questions about Ford tractors and equipment. Szalay provided the right answers to the questions he was asked.

According to Ford's Tractor Division the Tel-A-Quiz has been instantly successful with retail salesmen. Questions are ones which customers might ask, so the quiz is a method of sales training.

## Local Women to Fly In Powder Puff Derby

The annual "Powder Puff Derby," which attracts several hundred women flyers each year, is scheduled for July 8 to 12. This year it has two local women as entrants: pilot Mrs. Anna "Boo" Christensen of 9186 Lavall Dr., near Eucalyptus Park, and her neighbor and co-pilot, Mrs. Carolyn "Lynn" Coulthard of 9190 Lavall Dr.

Mrs. Christensen, who was educated in the area, is a graduate of Sweetwater High School, National City, and at present is in the purchasing department of Rohr Aircraft. She became interested in flying through her husband who has been a licensed pilot for five years.

Mrs. Christensen is a licensed pilot and in 1958 and 1959 was co-pilot in the Powder Puff Derby, flying with Mrs. Theresa Vasquez of La Jolla. The first flight was from San Diego to Charleston, S. C.; the second from Lawrence, Mass. to Spokane, Wash. Both flights were handicaps, in single-engine planes. Mrs. Vasquez and Mrs. Christensen finished both times. Mrs. Christensen took her flight training at Gillespie Field, El Cajon.

Mrs. Coulthard became interested in the Powder Puff Derby through Mrs. Christensen. She has lived in the San Diego area for many years, having graduated from San Diego High School and before entering USC where she got a dental hygiene degree. She and her husband, a jet-pilot in the last war, have two teenagers who are interested in flying, having been up several times.

Mrs. Coulthard had her first "thrill" of the "wild-blue-yonder," when she was just 13 years of age. Her father, the later Walter Hutchinson of San Diego, was a flight enthusiast in those days, when you could see San Diego from the air for the sum of only \$1. It was on one of these flights that young Carolyn was permitted to go.

While in USC Mrs. Coulthard (Miss Hutchinson then) made several flights with pilot-licensed friends over Los Angeles. That really must have fired her enthusiasm for soon after graduation she investigated the cost of private flying lessons, and found them to be a "bit too high for my pocketbook."

Determined to still get flying lessons, she investigated the Curlean Pilot Training Program (CPTP) set up under the F. D. Roosevelt administration, which was open to all persons with two years of college. She and her sister, Ethel, both applied for admission to a class and were accepted. They found out that only four women were permitted to each class, and considered themselves very fortunate, which made them study harder. After three months in class, they graduated, took their "physi- cals" and soon secured their licenses. It was in the flight class that Mrs. Coulthard met her husband-to-be.

This year's Powder Puff Derby will be from San Diego to Atlantic City, N. J. Mrs. Coulthard said that under ordinary weather conditions, the flight would take about 3 1/2 to 4 days, as the rules require that the

## Record Projects Entered by 4-H

Eleven hundred and nine 4-H members enrolled in an all time high of 2,110 projects, reports David W. Hinshaw, University of California farm advisor. 4-H boys and girls in the rural areas, of San Diego County learn new and improved scientific methods in agriculture and home economics through their project work. Project fields of work include home economics, crops, livestock and farm engineering. Members learn, through the guidance of 303 adult volunteer leaders, not only subject matter relating to production, but also factors of the big business of agriculture in the economy of the United States.

Hinshaw said the boys and girls in the 31 4-H clubs carry on educational project, activity and event programs designed to develop them into citizens, farmers, and homemakers.
